Portable wireless karaoke speaker with 2 microphones

SKU: MHSPPARTYBANDW

Sing your favourite songs wherever you want and in company

Bring the fun anywhere with your karaoke speaker!

Are you ready to unleash your voice and turn any moment into a party? Our **wireless karaoke speaker** is perfect for singing. **Portable** and comfy.

Limitless connection

Forget about bulky cables! The speaker connects to your device **wirelessly** up to 10 metres away, ensuring an uninterrupted listening experience. If you prefer another mode, you can play your favourite music directly from a **TF card** or connect an MP4 via a **3.5mm jack cable** for total versatility.

Double microphone and integrated controls

Thanks to the **two microphones included**, you can sing in duet and double the fun! Each microphone is equipped with **integrated** controls to adjust the volume, change tracks, manage the lighting and even activate **5 special voice effects** to add a unique touch to your performance. Plus, you'll find intuitive controls on the speaker to change songs, adjust the volume, pause tracks and control the LED lights.

Highlight your musical performances: the speaker lights up

It's not just a sound system, but a real light show! The speaker lights up to create the perfect atmosphere during your performances.

Karaoke with your hair down, guaranteed fun

Whether it's for an evening with friends, a family party or simply to train your voice, this karaoke speaker is the perfect choice for those who love to sing and have fun. Easy to use, portable and packed with features, it lets you enjoy a complete music experience wherever you are. You can use it for **5 consecutive hours** without having to recharge it. When it runs out of power, simply connect it to a charger or power bank via the **cable included**.
