Qi2 2x1 Wireless Charging Station for iPhone, Android smartphones and wireless earphones

SKU: TEWIR2IN1QI2

Choose the wireless universal charger: it simultaneously powers your mobile phone and your earphones

Discover convenience with the **Qi2 2x1 wireless charging station**, designed to meet the needs of your digital life. This wireless charger offers two dedicated slots: one for your wireless charging compatible iPhone or Android smartphone and one for your wireless headset, ensuring that all your devices are always ready to use.

THE ADVANTAGES OF THE CHARGING STATION WITH Qi2 TECHNOLOGY

Our station is equipped with the Qi2 standard for wireless charging, which incorporates **Magnetic Power Profile** technology. This ensures a perfect, magnetic alignment between the charging station and compatible devices, eliminating positioning difficulties and increasing energy efficiency. With Qi2, charging not only becomes faster, but also significantly easier and more intuitive.

MAGSAFE COMPATIBILITY: YOU CAN ALSO POWER IPHONES

The station is fully compatible with MagSafe technology, allowing safe and stable charging for your Apple devices. This means you can charge an **iPhone 16/15/14/13/12**. Enjoy the freedom to wirelessly charge all Qi and Qi2 compatible devices.

SMARTPHONE AND HEADSET CHARGING TOGETHER

Thanks to the Dual Charge function, you can **charge your TWS headset and a smartphone** simultaneously. The station is ideal for keeping your devices charged and ready to use, without the clutter of cables.

PERFECT DESIGN FOR HOME AND OFFICE

The sleek, minimalist design of the base fits perfectly into any environment, from home to office. The station comes with a **USB-C to USB-C** cable to easily connect it to any power source and thus be immediately ready for use.

WHAT DISTINGUISHES THIS CHARGING STATION:

- Qi2 technology
- Two charging stations for mobile phones and wireless headsets
- Charges both Android and iPhone smartphones
- Compatible with MagSafe charging
- Magnetic docking and smartphone alignment via Magnetic Power Profile technology
- USB-C to USB-C cable for power supply included
